

Bullseye Scatter Location Table

A word from column 1 plus a word from column 2 describes a location and a map reference.

So, APPLE/LEMON says you will find a code word *Hanging from the Notice Board* in grid square **6453** – the exact map reference (to the nearest metre) being **64116/53339**, although for plotting purposes 641/533 may be accurate enough given the location description.

1	Description	2	Grid Square
ACORN	Upright post at end of bridge (216/350)	AGREE	6358
